Future of Poole Hospital

Your new planned care site from April 2027

Poole Hospital is set to become the largest planned care site in the country, with:

- 18 operating theatres in total, including 10 new theatres
- An Enhanced Post-Operative Care Unit
- A Treatment Investigation Unit (TIU)
- An Urgent Treatment Centre (UTC)
- A new Endoscopy Hub
- An Essential Services Laboratory
- A Private Health Unit
- Around 100 day-case beds
- Expanded Pre-Operative Assessment facilities
- Around 80 to 90 elective surgery inpatient beds
- 45 medical beds
- A Community Diagnostic Hub for Dorset
