

## Live, Work and Study in the UK

**The EU Settlement Scheme protects the rights you currently have in the UK.**

If you are an EU, EEA or Swiss citizen, you and your family members will need to apply to the EU Settlement Scheme (EUSS) **to continue living in the UK.**

You will need to complete a short online application form with three key steps:

- Prove your identity
- Show that you live in the UK
- Declare any criminal conviction

**It is FREE to apply to the EU Settlement Scheme**

The form can be accessed using a computer, tablet or mobile phone.

Guidance can be found at [www.gov.uk/eu-settled-status](http://www.gov.uk/eu-settled-status)

Some may find it challenging to use the online application process, particularly the more **vulnerable** and **at-risk**. Others may think they do not need to apply because they have lived in the UK for more than a decade and already pay taxes.

**If you need free help or advice with your EUSS application, please contact Citizens Advice**
