BECOME A TRUSTEE TODAY

Do you have something to offer the South's leading charity supporting trans and questioning adults, their families, and friends?

Want to get involved in shaping Chrysalis' future?

Do you care passionately about equality and the rights of everyone to self-determination, and have an understanding of the issues facing gender diverse individuals?

Chrysalis is looking for trustees to strengthen our board which will enable us to continue to develop as a charity and further our strategic aims, making Chrysalis nationally recognised as *the* charity for the support of trans+ adults, their families and close friends.

We would love to hear from individuals with a broad range of expertise.

We would particularly be interested in speaking with those who can draw on experience in LGBT+ Support and Advocacy; Financial Services; Marketing and PR; Human Resources; Business Development.

Elected Trustees are expected to stand for one year. All trustees stand down at each AGM but can stand for re-election.

As a growing charity Chrysalis is looking for active trustees. You will be expected to attend one meeting a month plus some additional volunteering, a commitment of around 5/10 hours a month on average. Meetings are currently held online which allows us the flexibility to look at applicants from a wider geographical area.

Please send a short bio to info@chrysalisgim.org.uk together with your CV and a covering letter or email giving an overview of why you want to stand and the specific skills you can offer Chrysalis as a board member.

After your application is received you will;

- be invited to speak with the CEO re your application
- speak to a member of the board

If successful you will:

- be asked to attend a trustee meeting as an observer
- confirm you wish to become a trustee

The Board will then vote and confirm your appointment.

Still interested? We look forward to hearing from you.
