

2022 COUNCIL OF GOVERNORS ELECTIONS

Could you help shape the future of our hospitals in Dorset?

2022 Council of Governors Election

University Hospitals Dorset (UHD) is comprised of three hospitals; the Royal Bournemouth Hospital, Poole Hospital and Christchurch Hospital, two hospices and various support sites. It serves a population of over half a million people and employs more than 9,000 members of staff.

Within UHD we pride ourselves on the delivery of safe and high-quality care and we have a number of exciting developments taking place over the next few years. The Royal Bournemouth Hospital will become the major emergency hospital and Poole Hospital will become the major planned hospital for east Dorset. Christchurch Hospital incorporates the Day Hospital which provides rehabilitation for our older population, as well as rheumatology and dermatology services. The Macmillan Unit, also based at Christchurch, provides specialist palliative care.

We are searching for governors to continue to strengthen the link between our community and our hospitals. We are holding elections for a number of vacancies and encourage you to put your name forward. By applying to be a Governor, you and your fellow Governors can make a real difference.
