Direct line: **0300 019 4672**

You have been referred to the Royal Bournemouth colposcopy unit which is situated on the first floor of the Jigsaw building.

Please read the 'cervical biopsy' leaflet enclosed with this letter. This will give you some information about what will happen at your first appointment, but please be aware that you may or may not require a cervical biopsy.

If you have also been sent a LLETZ leaflet, it is important you read it prior to your appointment in order for us to be able to proceed with this treatment option.

Make sure you eat and drink before your appointment.

You will be asked the date of your last period, so you may find it helpful to make a note.
