

STARTING YOUR CAREER IN MEDICINE

This is a virtual opportunity to hear more about a career in medicine and applying to medical school. It will be hosted by a panel of junior doctors, medical students, medical school admissions teams and qualified doctors in Dorset and it aims to provide an insight into the life of a medical student and the journey on wards to become a qualified doctor.

Importantly this virtual encounter will hopefully help you make an informed decision of whether training to become a doctor is right for you and will provide you with support, advice and guidance on starting in medicine.

Over the TWO one-hour webinars you will hear from a range of professionals and academics, have the opportunity to interact live, ask questions and find out more about their journey.

At the end of the day you will receive:

- Certificate of attendance to the virtual Starting your career in Medicine webinars
- Something interesting to talk about in your personal statement and/or interviews!

Dates:

- 08/09/2021
- 15/09/2021

This series of TWO one-hour webinars aims to cover all you need to know about Starting a career in Medicine, therefore, attendance is advised for both webinars.

Time: 3:30 – 4:30pm

Who is it for: this virtual encounter into the world of medicine is open primarily to year 13 students who are about to submit their application for medical school but also year 12 students, so as they can start to prepare for the following year.

Software: These are online interactive sessions that will be delivered on [Microsoft Teams](#). Links to join the sessions will be available to participants after the registration is completed.

Booking link: <https://www.eventbrite.co.uk/e/162297868293>
