

Resuscitation Training

Level 1

- In the event of discovering a cardiac arrest whilst at work dial **'2222'** and ask for the:
 - 'Adult Medical Emergency Team' (Poole)
 - 'Cardiac arrest Team' (Bournemouth + Christchurch)

To attend your exact location
- We will meet all clinical staff during induction for further training:
 - In the meantime please watch this short clip, if further support is required please contact the Resuscitation Department
