

@UHD – your workplace app

The UHD app is for colleagues across our hospitals, bringing together useful information and resources at your fingertips, wherever you are from your mobile phone.

It's available to download free to your smartphone, and includes quick links to our latest news, ESR, e-Roster, email, wellbeing support, staff networks and much more.

To Download the app

Scan the QR code with your QR reader or camera on your phone

Android

or search for @UHD on the Play Store.

iPhone

For iOS – If you do not have the Apple iTunes Store please download this first

Please ensure when downloading the app that you use Safari as your internet browser, Google Chrome will not work.
