Everything you need to know

Do you really listen to my feedback?

Yes. We use your feedback to help us make UHD a great place to work and receive care. We will get the results around three months after the survey ends. Your manager will then create an action plan using your feedback to make improvements for your team. Scan to read more.

Do you know who says what?

No. No one at UHD can see your completed survey or identify individual responses. We receive **anonymised** summary reports which you can view at www.nhsstaffsurveys.com. Scan to read our FAQs and confidentiality and data handling information sheets.

How will I receive my invitation?

Email. Check your inbox for an email from NHSStaffSurvey@iqvia.com. The subject line will be 'NHS Staff Survey Invitation: University Hospitals Dorset'. It will have been sent to your **preferred email address on ESR**.

How can I fill it out?

Our **libraries** have computers available to you **24 hours a day**. You could also **borrow a laptop** from the library for a day and **set up a space for your team** to complete their surveys. Staff can also access emails via the **@UHD app** on a phone or iPad.

We are **safe**
and **healthy**

Our Trust values kindness, respect and inclusivity. The safety and wellbeing of our patients, staff and visitors is our top priority. Please use this survey to tell us if you have experienced poor behaviour at work so we can continue to improve how it is reported and our response.
