How do I choose the correct theatre to book a TCI into?

We are aware that for a period of two months (November & December 2021), there will be two sets of theatres available on eCaMIS (existing and new). To support staff with bookings we have set up the theatres such that:

- You will not be able to book TCI's for dates beyond 1st January for the existing theatres
- You will not be able to book TCI's for dates before 1st January on the new theatres
