

# Your Local Counter Fraud Specialists

Every NHS Organisation has to have a qualified Local Counter Fraud Specialist (LCFS) to not only assist the organisation in adhering to the Fraud Standards set out by the NHS Counter Fraud Authority (NHS CFA), but also to investigate any wrong doing. Your LCFS's at UHD are Matt Wilson and Heather Greenhowe.

The NHS CFA estimate that the NHS is vulnerable to £1.21billion worth of Fraud each year, and this is only the figure we know about. Imagine what the NHS could do with all this extra money! The possibilities of extra staff, services and equipment are endless!

We are committed to the fight against NHS Fraud, but we can't do it without your help. You can contact your LCFS's directly or report anonymously and directly to the NHS CFA on 0800 028 4060 or [here](#).

We will **always** listen if you feel unsure about anything within the Trust, no matter how unsure you are and **your report will always be in confidence**.
