## Highway Structural Maintenance Programme 2020/21 – Micro Asphalt

BCP Council is undertaking an extensive program of carriageway maintenance works throughout the conurbation. The works are weather dependent and involve closing the road in question. Please visit <https://www.bournemouth.gov.uk/Streets/maintaining-our-roads/Highway-structural-maintenance-programme-202021.aspx> for the latest information.

### Please note

It is not anticipated that any of the above works are likely to cause major traffic delays except where specifically stated.

Dates are correct at time of publication; however, works can be subject to the weather and other dependencies and are subject to change in line with operational requirements.
