Vaccine Booking

We have been made aware of a new COVID-19 relating fraud attempts in relation to **COVID Vaccine bookings.**

Some colleagues and patients have received messages via email, encouraging them to follow links to accept/decline vaccination appointments. The link will take you to a fake internet page that is made to look genuine but is owned by the fraudster. Any details, personal or financial, that you input to this website is then in the hands of the fraudster.

The NHS will never ask for:

- your bank account or card details
- your pin or banking password
- copies of personal documents to prove your identity such as your passport, driving licence, bills or pay slips

The COVID-19 vaccine is free of charge on the NHS.
