

Appointment only for blood tests

To protect our patients and staff we will be implementing an appointment only system for attending for a blood test at both Royal Bournemouth and Christchurch hospitals. This is to avoid crowding in the pathology departments.

From 23 March you will be required to have an appointment.

To book an appointment for a blood test please phone **01202 704781** Monday to Friday 10am-12pm and 2-4pm.

Please do not attend more than 10 minutes early for your appointment.

**Please do not attend if you have
a temperature of 37.8 or above
or a new continuous cough.**

Where possible please attend alone.
