

# DORSET EPILEPSY SERVICE

## FREE EPILEPSY AWARENESS TRAINING FOR ALL NHS STAFF!

- Did you know there are over 10,000 people living in Dorset with epilepsy?
- Patients who are under the care of Dorset Epilepsy Service tell us that they would like staff to know more about epilepsy.
- Would you know what to do if a patient was to have a seizure?
- Did you know the terms 'Grand Mal and Petit Mal' were re classified in 1981 and actually there are over 40 different seizure types?
- We provide free epilepsy awareness training in Poole and Dorchester which is run by both adult and paediatric epilepsy specialist nurses
- Come along and meet Dorset Epilepsy Service for free NHS staff training which is suitable for any staff member in any department!
