Experienced based co-design event

You are invited to join our co-design event. This event will bring together staff involved in stroke thrombolysis and people who have received this treatment.

We will be discussing key themes from patient interviews and plan to work together at this event to look at ways we can improve.

June 24, 2026

Wednesday | 1:30 -5 PM

 Patient First Hub, Christchurch
Hospital

RSVP: Tanya.davies22@nhs.net
